

Tired of Seeing Profit Placed Before People AND Planet?

Tired of important issues NOT getting Media Coverage?

Direct Action

Your Reps are Non-Responsive OR CORRUPT

Apathy is NOT Working

Confront Injustice

DIRECTLY in a Creative Act of your Choice...

It's everybody's duty to bring about change

Endangered Species are losing habitat to Commercialism

Slave-labor will not be ended by those who profit from it

Indigenous people are still losing their land to the rich and powerful

Because

Big Industry is destroying the beauty that belongs to your children's children

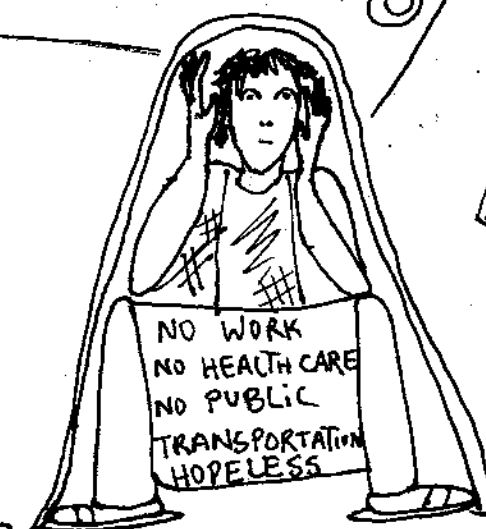

Priority CHANGES NOW!!

Boycott, Sit-ins, Blockades, Occupations, Peaceful-noncooperation, Civil disobedience for the FUTURE
